## ARABS MADE NIGHT ATTACK

Spanish Barely Held Their Own in a  
Bloody Battle by Moonlight Under  
the Walls of Melilla

Madrid, Aug. 12.—Hostilities have  
 recommenced near and at Melilla, and  
 fighting is going on all along the line.  
 The Moors attacked the Spanish  
 garrison at Penon de la Gomeria yes-  
 terday afternoon. The fighting was  
 very fierce, the attackers rushing up  
 to the Spanish entrenchments and en-  
 deavouring to force the Spanish line  
 backward to Melilla. The Spaniards  
 held their own.

All through the afternoon the battle  
 raged fiercely, and when night fell the  
 Moors withdrew. As the moon rose  
 they attempted to take the Spanish  
 positions, and at midnight the fighting  
 was still going on.

When daylight broke this morning  
 it was found the Moors had thrown  
 up earthworks during the night and  
 were entrenched behind them, right in  
 front of the Spanish lines. At day-  
 light they began firing at close range.  
 The rifle bullets dropped into the city  
 and the citizens aided the soldiers in  
 manning the walls, firing down into  
 the trenches upon the Moors. The  
 Spaniards used their heavy artillery  
 with telling effect.

At the time of sending the dis-  
 patches the fighting was still going on.  
 Penon de la Gomeria is a fort on  
 Spanish island and has been used as a  
 penal station.

## THE SECRET OF LONG LIFE

A French scientist has discovered  
 one secret of long life. His method  
 deals with the blood. But long ago  
 millions of Americans had proved  
 Electric Bitters prolongs life and  
 makes it worth living. It purifies,  
 enriches and vitalizes the blood, re-  
 builds waste nerve cells, imparts life and  
 tone to the entire system. It's a god-  
 send to weak, sick and debilitated  
 people. "Kidney trouble had blighted  
 my life for months," writes W. M.  
 Sherman, of Cushing, Me., "but Elec-  
 tric Bitters cured me entirely." Only  
 50c at all druggists.

## BELLEVUE

The funeral of Mrs. Mattie Barrett  
 of Sanford, Fla., was held here on  
 the 11th. Her husband, Frank Barrett,  
 sons, relatives and friends were pres-  
 ent. Having been a resident of Bel-  
 leview for many years, she had many  
 friends. She was a lady in the true  
 meaning of the word. She was held  
 in high esteem by all who knew her.  
 Her death is a loss to earth and a  
 gain to heaven. She was born in  
 Georgia 68 years ago, the day of her  
 burial. She is not dead. The dream  
 we call life has passed, she has awak-  
 ened to greater possibilities and is  
 safe from all the storms and troubles  
 of our life. Her heavenly father has  
 called her home, and will protect and  
 care for her.

C. H. Hilton has been re-elected  
 manager and L. Legrand Hopkins a  
 director of the Hilton Lumber com-  
 pany.

B. F. Freer, our Baptist minister,  
 has a very sick horse. Several of our  
 good Samaritans went out last Sab-  
 bath and got the horse on its feet. Its  
 death is expected at any moment.

The families of O. M. Gale and Judge  
 Hopkins have been camping on Smith  
 Lake.

Our white school commenced on the  
 9th. Henry Rickards of Hillsborough  
 county, is principal and Miss Elsie  
 Schneider of Ocala, assistant.

Bert Smith, the general clerk of the  
 store of C. A. Tremere, has returned  
 from a week's attendance at the  
 annual gathering or camp meeting of  
 the Primitive Baptists at his home at  
 Barrington, Ga. It is said that the  
 church is in the heart of a large tract  
 of pine woods, and at times there are  
 camped around it from one to two  
 thousand persons.

Bert is expected to return home  
 and deservings of a good vacation.  
 George Spencer acted as clerk during  
 Bert's absence.

The Bellevue person who said he  
 was going to Ocala and put the  
 screws way down on a certain person,  
 found on his arrival in the Brick City  
 that he had no screws. This was good  
 for him as there is a law for malicious  
 prosecution. See general statutes, re-  
 vision 1906, section 3261.

Deputy Sheriff J. L. Whisenant went  
 to Ocala on the 10th to be present at  
 the hanging of Albert Smith, the ne-  
 gro who so brutally murdered Rev.  
 Isaac Draft.

Miss Rae Stein, of Ocala, has been  
 visiting Miss Eleanor Tremere.

Miss Ida Snow of Pedro is visit-  
 ing her niece, Mrs. M. A. Dudley.

Mrs. R. W. Hamilton and daughter,  
 of Palmetto, are visiting Miss Marie  
 Welhe.

Mr. Joseph Lucius and family and  
 Mrs. Edwin Spencer were camping  
 for several days last week on Lake  
 Weir.

Mrs. C. A. Tremere with her daugh-  
 ters, Eleanor and Minnie, visited Lake  
 Weir on the Sabbath, where they ex-  
 pected to meet Mr. and Mrs. O. M.  
 Hightower. Owing to a bridge break-  
 ing, caused by a large drove of cattle  
 crossing, they were left on the wrong  
 side of the river and were unable to  
 keep the appointment.

Mr. Charles Foy on Sunday return-  
 ed from High Springs, where he has  
 been stopping for a number of weeks.  
 We are sorry to learn that it has not  
 improved his health.

On the 9th J. J. Nelson with his  
 two teams went to Ocala and moved a  
 car of lumber to the house for Dr.  
 J. B. Carlisle.

## CURED HAY FEVER

## AND SUMMER COLD

A. S. Nussbaum, Batesville, Indiana,  
 writes: "Last year I suffered for  
 three months with a summer cold so  
 distressing that it interfered with my  
 business. I had many of the symp-  
 toms of hay fever, and a doctor's pre-  
 scription did not touch my case, and I  
 took several medicines which seemed  
 only to aggravate it. Fortunately I  
 insisted upon having Foley's Kidney  
 and Bladder Pills. It quickly cured me.  
 My wife has since used Foley's Kidney  
 and Bladder Pills with the same success." Sold  
 by all dealers.

Are you troubled with dandruff?  
 Then try a bottle of Dike's Hair Tonic,  
 at the Court Pharmacy.

## \$100 REWARD, \$100

The readers of this paper will be  
 pleased to learn that there is at least  
 one dreaded disease that science has  
 been able to cure in all its stages, and  
 that is Catarrh. Hall's Catarrh Cure is  
 the only positive cure known to the  
 medical fraternity. Catarrh being a  
 constitutional disease, requires a con-  
 stitutional treatment. Hall's Catarrh  
 Cure is taken internally, acting direct-  
 ly upon the blood and mucous surfaces  
 of the system, thereby destroying the  
 foundation of the disease, and giving  
 the patient strength by building up the  
 constitution and assisting nature  
 in doing its work. The proprietors  
 have so much faith in its curative  
 powers that they offer One Hundred  
 Dollars for any case that it fails to  
 cure. Send for list of testimonials.  
 Address: F. J. Cheney & Co., Toledo, O.  
 Sold by druggists, 75c. Take Hall's  
 Family Pills for constipation.

## MILLION-DOLLAR

## FIRE AT MIDDLETON

Middleton, N. Y., Aug. 12.—A fire  
 which caused a loss of not less than  
 \$1,000,000 swept a large part of this  
 city out of existence last night. Thirty-  
 six buildings were burned, and the  
 was only stopped after dynamiting of  
 buildings in the path of the flames  
 had been resorted to.

## UNIVERSITY OF FLORIDA

## Opening of the Law Department,

September 29, 1909

We have just received the first an-  
 nual announcement of the law depart-  
 ment of the University of Florida,  
 which is to be opened in Gainesville  
 September 29th. The course of study  
 covers a period of two years of thirty-  
 two weeks each and includes all of the  
 subjects prescribed by the supreme  
 court for the bar examination. The  
 annual tuition is forty-five dollars and  
 the total minimum cost of one year in  
 the law school, exclusive of books and  
 laundry, is one hundred and sixty-five

 ther information by addressing Presi-  
 dent Murphree or Dean Farrar, at  
 Gainesville, Florida.

## KEEP THE KIDNEYS WELL

Health Is Worth Saving, and Some  
 Ocala People Know How  
 to Save It

Many Ocala people take their lives  
 in their hands by neglecting the kid-  
 neys when they know these organs  
 need help. Sick kidneys are responsi-  
 ble for a vast amount of suffering and  
 ill health, but there is no need to suf-  
 fer nor to remain in danger when all  
 diseases and aches and pains due to  
 weak kidneys can be quickly and per-  
 manently cured by the use of Doan's  
 Kidney Pills.

Joe Eckert, living on Thompson St.,  
 Starke, Fla., says: "I am very glad  
 to recommend Doan's Kidney Pills as  
 they proved of great benefit to me.  
 At the time I began their use my con-  
 dition was very poor. The kidney se-  
 cretions were irregular in action and  
 when allowed to stand deposited a  
 sediment. My back ached intensely  
 and was very lame and sore. It was  
 hard for me to stoop or lift. I could  
 not rest well at night, and mornings  
 upon arising, was tired and worn down.  
 When I heard of Doan's Kidney Pills  
 I decided to give them a trial and pro-  
 cured a box. This remedy effected a  
 complete cure in my case. The back-  
 ache and lameness disappeared, the  
 kidneys were strengthened and the  
 secretions brought back to a normal  
 condition. My wife also used Doan's  
 Kidney Pills and they gave her great  
 relief from kidney complaint."

Plenty more proof like this from  
 Ocala people. Call at Tydings & Co's  
 drug store and ask what their custo-  
 mers report.

For sale by all dealers. Price 50  
 cents. Foster-McMillan Co., Buffalo,  
 New York, sole agents for the United  
 States.  
 Remember the name—Doan's—and  
 take no other.

## MARIETTA WAS BOILING MAD

With One Rapist in the County Jail,  
 Another Negro Made Himself  
 Eligible for Lynching

Marietta, Ga., Aug. 12.—With Will-  
 iam Webb, the negro who criminally  
 assaulted Mrs. Exy Brown several  
 weeks ago, in the jail here, strongly  
 guarded, the tense excitement follow-  
 ing the opening of his trial here yes-  
 terday was increased last night when,  
 shortly after 6 o'clock an unknown  
 negro attempted to criminally assault  
 Mrs. J. W. Hicks, wife of an engineer  
 of the Louisville & Nashville road.

Mrs. Hicks was preparing to put  
 her little baby to bed when a negro,  
 who had concealed himself under the  
 bed, grabbed her by the ankle. She  
 screamed and managed to free herself  
 from the clutches of the brute, not-  
 withstanding that part of her clothing  
 was torn from her body. Frightened  
 by the screams of Mrs. Hicks, the ne-  
 gro ran from the house.

Fearing that an attempt would be  
 made to lynch the negro, Webb, the  
 sheriff, declined to withdraw his de-  
 puties from the jail in order to try to  
 effect the capture of the assailant of  
 Mrs. Hicks. However, an armed posse  
 is scouring the surrounding country  
 for him.

## Of Interest To Women.

To such women as are not seriously out  
 of health, but who have exacting duties  
 to perform, either in the way of house-  
 hold cares or in social duties and func-  
 tions, which seriously tax their strength,  
 as well as to nursing mothers, Dr. Pierce's  
 Favorite Prescription has proved a most  
 valuable supporting tonic and invigorat-  
 ing nerve. By its timely use, mucous  
 discharges, which are quite naturally  
 averted, because of the uncertainty as to  
 their composition and harmless character,  
 but is a medicine of known composi-  
 tion, a full list of all its ingredients being  
 printed, in plain English, on every bottle-  
 wrapper. An examination of this list of  
 ingredients will disclose the fact that it is  
 non-alcoholic in its composition, chemi-  
 cally pure, triple refined glycerine taking  
 the place of the commonly used alcohol,  
 in its make-up. In this connection it  
 may not be out of place to state that the  
 "Favorite Prescription" of Dr. Pierce is  
 the only medicine put up for the cure of  
 women's peculiar weaknesses and ail-  
 ments, and sold through druggists, all  
 the ingredients being of the highest  
 quality, and the endorsement of all the  
 leading medical writers and teachers of all  
 the several schools of practice, and that too  
 as remedies for the ailments for which  
 it is recommended.

A little book of these endorsements will  
 be sent to any address, post-paid, and  
 absolutely free if you request same by  
 postal card or letter, of Dr. R. V. Pierce,  
 Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets cure con-  
 stipation. Constipation is the cause of  
 many diseases. Cure the cause and you  
 cure the disease. Easy to take as candy.

## TUGBOAT TURNED TURTLE

Rockport, Mass., Aug. 12.—The nav-  
 al tug Meximco, bound from Port-  
 mouth to Boston, capsized during a  
 gale off Cape Ann yesterday and seven  
 of the crew were drowned. The  
 drowned included the captain, surgeon,  
 engineer and four sailors.

Three men, members of the crew,  
 seized a life raft as the tug turned  
 over and clambered aboard. Other  
 members of the crew righted a boat  
 and succeeded in making a fleet of  
 fishing craft that were not far away.  
 The life raft was blown out to sea  
 and the men who were aboard may  
 possibly be lost by this time. The  
 fleet of fishing vessels are scouring  
 the sea searching for the life raft.

## CITRA

Miss Zelma Cason of Island Grove  
 and Mr. Weeks of Waldo, were guests  
 of Mr. and Mrs. J. N. Malphurs Sun-  
 day.

We are all very sorry to hear of the  
 serious illness of our former physi-  
 cian, Dr. S. T. Carswell. We wish him  
 a speedy recovery.

Mr. Andrew Ellis, the express mes-  
 senger on the Citra short, has moved  
 his family to Wilcox, Fla.

Dr. Creekmore, formerly of Live  
 Oak, is now pleasantly situated in  
 Citra, ready to answer your calls. His  
 office is next door to the postoffice on  
 the corner of Orange Springs and  
 Greely streets. Dr. Creekmore is an  
 experienced physician and has already  
 proven his skill among his many pa-  
 tients who praise his untiring efforts,  
 his wonderful aptitude, gentleness and  
 kindness. The Citra people feel high-  
 ly complimented in having so skilled a  
 physician to fill the place of Dr. Car-  
 swell, whom we all knew.

Mr. A. R. Rice went up to Jackson-  
 ville Sunday morning to visit his  
 nephew, Mr. Ralph W. Bull, whom we  
 are glad to say is gradually improv-  
 ing from a siege of typhoid fever. As soon  
 as Mr. Bull fully recovers he will visit  
 his old home in Kent, Conn.

Mr. Graham, the auditor, was in the  
 city Monday.

Mr. Oswell Ray has returned from a  
 short visit to friends in Palatka.

Miss Julia E. Tillman, our popular  
 saleslady, has had her store repaired  
 and painted, which adds much to the  
 beauty and attractiveness of it. She  
 now has the coziest and most inviting  
 store in town.

Miss Ruth and Master Carlton Er-  
 vine, are visiting relatives in town  
 this week.

Mr. J. S. McAllister has moved to his  
 new home, formerly the home of Dr.  
 Carswell.

Mr. G. Ellis of Gainesville, was in  
 town this week.

Mr. James Fry of Palatka arrived  
 Sunday to be the guest of Mr. and  
 Miss Ray.

The Misses Joyner of Jacksonville  
 and LaCross, are the guests of Rev.  
 and Mrs. Williams.

Mrs. Cason of Island Grove was the  
 guest of Mrs. J. N. Malphurs Wednes-  
 day.

A few of Citra's young people were  
 entertained by Mr. and Mrs. Wilson  
 Wednesday evening at a fish fry on  
 Simmon's Pond, about three miles  
 from town. The party left town about  
 6:30 o'clock and arrived at midnight.  
 All had a most delightful time bat-  
 hing and frying fish.

Mr. C. W. Driver and little daugh-  
 ter, Dorothy, went up to Jacksonville  
 Tuesday evening to spend a few days.

## TWO DESPONDENT WOMEN

Athens, Ga., Aug. 12.—Yesterday at  
 her home two miles from Hull, Mad-  
 ison county, Mrs. J. C. Phillips took  
 her life by first slashing her wrist with  
 a razor and then jumping headforemost  
 into a well. Her husband missed her  
 a little later and after a long search  
 found her body in the well.

McComb, O., Aug. 12.—The bodies of  
 Mrs. James H. Ritter, long in ill health,  
 and her year-old daughter were found  
 yesterday in an abandoned well by the  
 woman's husband. The coroner pro-  
 nounced it a case of suicide. The body  
 of the baby was clasped tightly in the  
 mother's arms.
